

How Women Lead

We'd like to propose some questions that we will cover throughout the presentation to help open your mind to the possibilities for learning and contributing with us.

We believe the world is better when women lead. We want you to feel like you have found your people and that there are resources for you that will help you meet your big goals, maybe even ones you don't know you have yet.

Your Leadership and Impact Journey

Where do you want to be in 5 years?

Have you created a personal set of values in the last 6 months that guides your decision making?

What are the biggest milestones you see ahead for yourself?

Boards

What type of boards do you serve on?

- Non profit
- Startup
- Advisory
- Private corporate
- Public corporate
- Not yet, but I want to

What type of corporate board is right for you?

Size _____

Industry _____

Stage _____

What value do you bring?

Investing
