Dear Friends,

On behalf of the California Legislative Lesbian, Gay Bisexual, Transgender, and Queer (LGBTQ) Caucus, I extend our sincerest support for Hispanas Organized for Political Equity (HOPE) on its 23rd Annual Latina Action Day on Wednesday May 22, 2019 Sacramento, CA.

HOPE is an incredible organization advocating for the social and political equality of Latinas. The Latinx population remains one of our most vulnerable groups within the LGTBQ community and we, like HOPE, recognize that when marginalized groups advance, democracy wins. Latina Action Day will connect hundreds of people to the legislative process, providing incredible opportunity for discussion and networking within our state Capitol. Latina leaders will weigh in on issues that are affecting their communities and have their voices heard.

The California Legislative LGBTQ Caucus supports HOPE in its mission to empower Latina leaders through leadership, advocacy and education. The work that will be done on Latina Action Day will help build a stronger, more equitable and just California.

Wishing you all a productive, insightful, and experience-filled conference!

Sincerely,
