Dear Latina Leaders:

The California Legislative Jewish Caucus is honored to welcome Hispanas Organized for Political Equality (HOPE) to the Capitol for your 25th Annual Latina Action Day Conference. HOPE continues to inspire leaders from across California to advocate for critical issues affecting their communities.

Hundreds of participants gather here in the State Capitol every year to promote new political and economic opportunities for Latinas through leadership, advocacy, and education. For over two decades, HOPE has been a leading voice to encourage members of the Latina community to make a positive impact on public policy.

The Jewish Caucus looks forward to working alongside HOPE to achieve your goals to gain better access to quality and affordable healthcare and education in the coming legislative session. Congratulations on your continued success.

Sincerely,

BEN ALLEN
Chair, Legislative Jewish Caucus
