Independent System Operator Governing Board	5	0	0	2	3	three years	0 vacant	<p>The California Independent System Operator Corporation Board of Governors (Board) is composed of five members serving three-year staggered terms, as required under current state law. The ISO presents a list of recommended appointees to the Governor of the State of California ("California Governor") for each vacant position. Not less than 120 days prior to the expiration of any Board member's term, the ISO will engage an independent executive search firm to seek out candidates for consideration by the Board Nominee Review Committee as outlined in this policy. The search firm will seek out candidates having one or more of the qualifications listed below and will propose to the committee the candidates that complement, to the extent possible, the qualifications of the existing Board members. The goal is to have a Board that represents as many of the qualifications listed below as possible. Electric industry expertise, markets expertise, general corporate/legal/financial expertise, and public interest expertise.</p>
